

OFF SOUNDINGS CLUB

**Mid-Winter Informal Lunch
Thursday February 13, 1997**

January 22, 1997

Dear Captain:

Please join us for an local informal lunch, a chance to get together with other skippers from the area, to think and talk about '97 Off Soundings, to ponder Spring and forget about ice and snow for a bit.

Commodore Bill Gunther will be with us and can fill you in on what's in store for the upcoming season and the results of the race venue poll. It's a perfect time to bring along any of your crew who are not members, but whom you think are qualified and interested in joining Off Soundings to meet other members. (Last year's lunches netted us 16 new members!)

Lenny's Indian Head Inn
205 S. Montowese Street (Rte 146)
Branford
Thursday February 13, at 1200.

Lenny's is a delightfully informal pub with good simple food and drink and saltmarsh view. Lunch can generally be gotten for \$10 - \$12.

As I need to know our numbers as soon as possible, please call or Fax me by February 6 to reserve space.

Our first mid-winter lunch last year was a great success and, by popular demand, we're doing it again.
