### NOTICE

Commodore Hohenstein has called a meeting of the Board of Governors and all Committee Chairmen for Saturday October 20, 1990. The meeting will be held at 0930 in the Board Room of the Library of the Mystic Seaport Museum, Mystic, Connecticut.

This is the day of the Dyer Dhow Derby at the Seaport and Commodore Hohenstein thought many of you might want to participate in these activities. The meeting, which we expect to end before noon, will be followed by an open bar at the Seamens Inn (courtesy of OSC). A light lunch will be served aboard Puff in time for those who are interested in defending our honor in the Dyer Dhow competition.

Please return the enclosed postal card so I know who to expect for the meeting and Commodore Hohenstein knows how many to expect for lunch.

An Agenda for the meeting is enclosed. Our finances for the current and immediate future are of concern and it will be interesting to see how we have fared this year. Hopefully, no immediate financial action will be required.

The discussion Commodore Hohenstein will lead about our future is a particularly important subject that relates to both the long term finances and the long term health of our Club. Has our mission changed? What is the current and future environment for our activities? Is there a need for change? If so what change is necessary? Please give the subject some thought and prepare yourself for the discussion.

Sincerely,

Neal H. O'Connell  
Secretary
