To: All members and participants in the Spring Series

Despite the vagaries of wind and current, I think we had an enjoyable week-end at Shelter Island.

Unfortunately, some of the people at the shore parties had a little too much enjoyment, with the result that two SIYC members' dinghies are missing; not borrowed - STOLEN! Several other acts of vandalism also occurred. While it is possible that the persons responsible were not part of our fleet, the finger points at us.

I don't propose to deliver a lecture on genteel behavior. I will, however, make two simple statements:

1. We are supposed to be gentlemen!
2. The skipper of each boat is responsible not only for his own behavior, but also that of his crew.

Keep this in mind in your choice of shipmates, or we will not be welcome anywhere.

I want to thank the Race Committee for a superb job and thank all of you for the ovation you gave them at the shore party Saturday night. It was fully deserved.

Final results are in this mailing. There was a great deal of confusion and delay in getting results on Saturday, because so many boats finished after the Committee Boat had left station, and some skippers were late in reporting their time. Please do this as promptly as you can.

We are all deeply saddened by the death last week of Dave Dunn, our Race Committee Chairman. His good fellowship, remarkable organizational ability and quiet competence will serve as an example for all of us who knew him, and we will miss him for a long time to come.

See you all in Block Island,

Don
