Dear Dick,

I have attached the list of multihull entrants for Spring and Fall Offsoundings. They are all Trimarans designed by Ian Farrier and built by Corsair Marine. Please direct a Notice of Race and entry package to each of the entrants. I will be sending each a separate letter drawing their attention to their responsibility as skippers. Within the next few weeks I will forward you the PHRF ratings for each boat.

I am particularly excited about the opportunity for multihull participation in our club races and I am confident that participation will grow. Please call me if you have any questions or concerns, my work number is 860-572-5095.

Best regards,

Blunt White
