

*This is an artist's conception of our proposed beautiful Memorial Chapel. There are no blueprints to show exact details yet, since we must wait on your generosity and must raise the necessary funds before actual planning or construction can begin.*

# CONTRIBUTIONS TO U. S. COAST GUARD MEMORIAL CHAPEL FUND

**T**HE 80th Congress of the United States on July 21, 1947, authorized the construction of a chapel at the U.S.C.G. Academy, and the acceptance of private contributions to assist in defraying the cost of this construction.

The names of all donors will be inscribed in a "Remembrance Book" that will be kept in the Memorial Chapel.

Contributions made to the Coast Guard Memorial Chapel Fund by individual donors or corporate donors are allowable deductions from Federal Income Tax in the manner and extent specified by law.

Please send your contributions to the Treasurer, U. S. Coast Guard Memorial Chapel Fund, U. S. Coast Guard Headquarters, Washington 25, D.C.

## **INDIVIDUAL MEMORIALS**

To honor close relatives and friends who have given their lives in the performance of Coast Guard duties, the establishment of individual Memorials in the form of a pulpit, chancel, baptismal fount, altar, window or other appropriate part of the chapel on which the Memorial Plaque to the individual would be mounted may be sponsored.

☆ *To those who have given their lives that others may live, we owe a tribute.*

*To establish this tribute we hereby appeal to you to contribute to the building of a Perpetual Memorial, a chapel to be erected at the United States Coast Guard Academy.*

*Here, the names of heroes of the Coast Guard will be carried over the years so that others may revere and respect those who have given all in the performance of duty to their country and the establishment of tradition in the U. S. Coast Guard.*

## OFF SOUNDINGS CLUB

OFFICE OF  
THE SECRETARY  
P. O. Box 242  
Mystic, Conn.

April 15, 1949

To all Members:

Since this Club was formed in 1933, the U. S. Coast Guard have offered us the finest possible cooperation. Every race sponsored by this Club has been started from a Coast Guard vessel. Now we have an opportunity to do something in return for the Coast Guard.

Enclosed you will find booklet which briefly describes proposed Memorial Chapel to be erected on the grounds of the U. S. Coast Guard Academy at New London. At last meeting of your Board of Governors, it was unanimously voted that the Secretary address a letter to all Club members, soliciting donations. Funds so collected to be presented to the Coast Guard as from your Club.

Any amount you may care to give will be gratefully accepted, but please, while this subject is still fresh in your mind, send me a check covering whatever you wish to donate. To be readily distinguishable, all checks should be drawn to the order of "Off Soundings Club U.S.C.G. Fund".

Cordially,

G. W. Blunt White  
Secretary
