RESULTS OF FALL RACE SERIES, 1962

Enclosed are the final results of the 25th Annual Fall Race Series. Corrected times shown have been computed from actual elapsed time for each class to facilitate comparison of corrected times between boats of different classes.

Engraved prizes will be mailed shortly to the first four boats in each class with the exception of Class C-1 wherein the first two boats will receive trophies.

The Club was blessed with the closest thing to perfect fall weather. Friday saw steady southwest winds of 20-25 knots most of the day. Sunshine was abundant and seas high. Some unfortunate skippers discovered equipment and sails too tired after a season's work to stand up to the strain.

Saturday was even better with moderate seas, uninterrupted sunshine, and a northwest wind of 15-20 knots that made an interesting shift to southward during the morning. The only major breakdown occurred when Maynard Bray's R-boat, PENOBSCOT, was dismasted. She was taken in tow by Paul vanDyke in VALIENT. Paul was very helpful on Friday, also, when he valiently moved a mudbank in Montauk Harbor several feet under mainsail only.

To skippers who competed in this series and who have not already received one, we enclose a plaque commemorating the 25th year of Off Soundings Club racing.

Treasurer Leo Geyer is gratified by your contributions. Will those few who forgot remember.

Listed below are the Perpetual Trophy winners for the year 1962. Trophies will be presented at the Annual Winter Meeting.
