### 36th ANNUAL FALL RACE RESULTS

The enclosed results for the Race on Friday are substantially as announced on September 14th with one exception. An announced prize-winner in Class C-2 discovered that he had violated the Off Soundings rule that the member or invited guest, in which name the vessel is entered, must be in command at all times during the races. Consequently, he has returned the prize with a letter of apology.

The Club is proud to have a member of this calibre and applauds his action.

Unfortunately, the behavior of other participants during the weekend resulted in a letter of complaint from the First Warden of the Block Island Town Council, who stated that the behavior of a number of racers, both male and female, in the streets and certain businesses on the Island was quite unsatisfactory. This problem will be discussed at the next Board of Governors meeting.

Please review your rating certificate and remember that Revisions to Measurement Certificates do not extend the original expiration date for your certificate. Get remeasured in the Fall and avoid the Spring panic party!

Guest invitations for the 1974 Spring and Fall races should be in my hands before March 1974. The exact date will be established at our Governors' meeting in January.

The probable date for Spring Off Soundings is June 7 and 8, 1974.

The following are the Perpetual Trophy winners for the past season. These trophies, awarded annually to members only, without regard to penalties, will be presented at the Annual Winter Meeting.

#### G. W. Blunt White Trophy for best combined results for two successive years in Class A-1 and Class A-2

- |              |                            |
