GENERAL INSTRUCTIONS

For Start

1. Yachts not starting must keep well clear of the starting area until after the warning signal for their class.
2. Running of engine after the Preparatory Signal for her class will disqualify a yacht.
3. Recall signal will be a blast of a whistle for each yacht recalled. A yacht failing to hear or heed such whistle will be penalized by having one-half hour added to her elapsed time.
4. Postponements will be for 15 minute periods and will be signalled by code flag "P". Attention to this signal will be called by two guns. The warning signal (white shape) will be made 30 seconds after the lowering of code flag "P". If the postponement is made after the start of the first class, there will be a warning signal (shape to be start signal of previous class) five minutes before the preparatory gun of the next class scheduled to start.
5. Reverse course will be signalled by code flag "R". Attention to this signal will be called by one gun.
6. Short course for classes A-1, A-2 and C-1 will be signalled by code flag "S". Attention to this signal will be called by one gun.
7. Race off for the day will be signalled by code flag "O". Attention to this signal will be called by two guns.

For Race

1. Government marks may be disregarded except those marking the course for your class.

2. In case of thick weather, yachts rounding course marks must see and identify each mark rounded. It is not sufficient to assume that a mark has been rounded by the yacht's presumed position.

3. Yachts must pass south of Little Gull Island, Great Gull Island and Plum Island, and are not to pass between the Ruins and Gardiners Island.

At Finish

1. Identification number is to be displayed a half mile from the finish line and faced towards the committee boat so it can be seen until crossing the finish line. Failure to do so may result in your yacht being listed as D. N. F. Please report to committee boat if in doubt.

2. Regardless of the time of the start, the time limit will expire at 5:00 P.M. each day. If any yacht finishes by that time, it is a race for her class.

3. If the committee boat is not on station, any yachts finishing shall take their own time when the FL. R Gong Buoy 2 bears northeast and at a distance not greater than 200 yards, and report same to the chairman of the Race Committee.

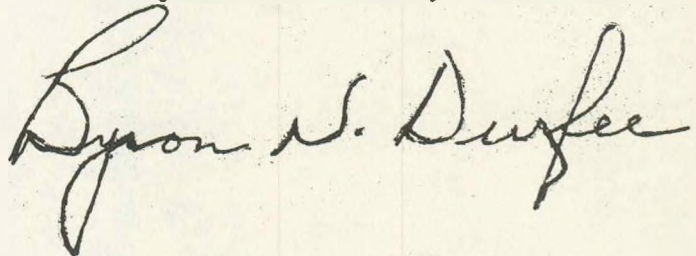

Protests

1. A member of the Race Committee will be stationed aboard the committee boat to observe any infractions of the rules should they occur.

2. Protests will be made in accordance with Rules 52 and 53, except that the protest must be delivered to our Protest Committee at the Shelter Island Yacht Club as soon as possible after the protesting yacht reaches Dering Harbor.

RACE COMMITTEE,

Byron N. Durfee, Chairman
