### N O T I C E

ALL HANDS ON DECK!! There will be over forty starters in the Spring race. Already we have received twenty-four actual entries.

We hope you can be with us this spring and the Committee would greatly appreciate your filling in the entry blank and returning it at once. We welcome entries at any time but hope you will send in yours early (by return mail) as it will greatly assist the Race Committee.

Don't have the worry this spring as to whether your boat is going to be overboard in time. Grab a belaying-pin and start swinging it in earnest. Your boat yard does not want you held up, so give them a chance by letting them get started now.

READY ABOUT, HARD TO LEE and head her for the starting line May 28th.

Cordially yours,

OFF SOUNDINGS CLUB
