OFFICE OF
RACE SECRETARY
194 LOWER BOULEVARD
NEW LONDON, CONN.

NOTICE

Attached are the results of our 23rd Annual Spring Race Series. We had 188 entries and 155 boats raced.

It has taken considerable time to unscramble the results for the first day's racing June 10th, however, with the results obtainable and as many times verified as possible, we are listing herewith the results for the spring series.

Please note that this mailing contains both the results of the spring race series and the first notice together with the necessary enclosures for the fall race series.

Many thanks to all for your contributions which help us conduct these race series, and oil the machinery of our Liquidating Fund. Practically everyone contributes most generously with the exception of a hardy few. In as much as 98% of our members and guests contribute most generously, we feel that the few who do not should certainly make an effort to help carry the load.

Although our finish line on Friday, June 10th, was much too long, it did not help the race committee any to have the boat numbers fixed to the cabin sides of the boat. Please do not continue this practice as the boat is rolling and makes it impossible for the committee to distinguish the numbers. Also, will you kindly hold your boat identification number up so that the committee has ample time to note it prior to crossing the finish line and also for at least a minute after you have crossed the line. Many of the mixups occurred because the committee was unable to read boat numbers.

Sincerely,

OFF SOUNDINGS CLUB

John B. McPherson
Race Secretary
