FIRST NOTICE

1946 FALL RACE

September 20th and 21st from New London

This race will be the first Fall Off Soundings race since 1941. We take pleasure in enclosing an entry blank, also a copy of our measurement rule.

Those owners who sent in the entry blank data for the 1946 spring race need only fill in the yacht's name and their name and mail the blank, as we have all the other data on file. If there have been any changes in measurements, please so note.

Full details of starting time, courses, and rendezvous will be mailed early in September, together with list of entries.

We hope to receive your entry blank by return mail.

Very truly yours,

OFF SOUNDINGS CLUB
