OFF SOUNDINGS CLUB

24TH ANNUAL SPRING RACE SERIES

FINAL RESULTS

OFFICE OF
RACE SECRETARY
8 CHESTNUT HILL SQUARE
GROTON, CONNECTICUT

Attached are the results of the 24th Annual Spring Race Series. Of the 163 entries it is estimated that approximately 155 started on Friday. The number starting on Saturday is anyone's guess. Very light airs and tidal difficulties on Friday caused a number of boats to drop out. Some of these went home while others proceeded to Montauk as DNF's.

Because of the large number of DNF's on both Friday and Saturday and the indeterminate number of DNS's on both days we have listed only those boats that finished.

The weather for the Fall Series is hereby guaranteed to be better. In fact, it can only be better. We commiserate with those skippers who sustained damage during Saturday's gallop around the courses.

Your contributions reflect your interest in maintaining the high standards of these races. We gratefully acknowledge these contributions and ask that the very few who forgot to contribute consider this as a reminder.

Sincerely,

OFF SOUNDINGS CLUB
