

## THE OFF SOUNDINGS CLUB

OFFICE OF  
SECRETARY

West Springfield,  
Mass.

*Corrected copy*

### NOTICE

June 27, 1947

We take pleasure in enclosing herewith a summary of the Spring Off Soundings Races giving the corrected time of all boats for each day, together with the total corrected time for the two days.

It is on the basis of these latter figures that prizes have been awarded.

There were errors on our June 6th circular giving ratings and time allowances on the "Burma" and "Mustang". The correct figures are as follows:

	25 mi.	
Mustang	25'-15"	Time Allowance
Burma	26'-51"	" "

There was an error of 10 minutes on "Mustang's" second day's results. The correction puts her in seventh place instead of seventeenth as announced at Shelter Island and fifth for the two days. "Mustang" also carried a 10% penalty for a previous win.

The winner of the special schooner prize, generously contributed by one of our members, was "Blackbird" with a corrected total time of 7-25-06, followed very closely by "Vanda" whose time was 7-26-14. Congratulations Hubert.

We all owe a vote of thanks to Hervey Stockder, Chairman of the Race Committee, and Bill Dodge, Austin Myers and Walter Hubbard for the swell job they did in starting the races and computing the results.

We also wish to thank the Montauk Yacht Club and the Shelter Island Yacht Club for their complete cooperation.

We again thank the U. S. Coast Guard Academy for making the "Teragram" available as a committee boat.
