

RENDEZVOUS:

Thursday, June 8: Dock and mooring space at Burr's and Marster's docks in New London will be at a premium. As nesting will have to be resorted to, please use all precautions to prevent damage.

Friday, June 9: Enclosed chartlet of the Montauk Harbor area is intended to facilitate getting to shoreside accommodations and to indicate anchorage area for smaller boats. Note line of flags marking shoal area along east side of channel.

Saturday, June 10: We will rendezvous at the Maidstone Marina at Three Mile Harbor. Please refer to reservation sheet sent with first notice.

NOTES:

1. In addition to the launches to be supplied by the Saybrook Marine Service, both Montauk Yacht Club and Maidstone Marina will have launches operating. Twenty-five cents per person per trip is customary.
2. If you carry your own dinghy we urge you to use it. Please restrain your crew from "borrowing" dinghys without permission.
3. Please do not dump refuse while in harbors. If this is done, we will not be welcome again.

Your comments and any anecdotes relating to the weekend will be welcomed by the Race Secretary. Forward these immediately upon your return home so that they may be passed along with the results in July.

Additional copies of notices, instructions, poop sheets, etc. will be available from Commodore du Pont (NOR'EASTER), Mel Southworth (PENOBSCOT), or the Race Secretary at Burr's and Marster's docks Thursday evening, June 8th.

Good weather and good luck!

OFF SOUNDINGS CLUB

PRIZES

RESULTS: After each day's race, results will be announced. Complete results will be mailed later to all members and guests on our mailing list. Trophies will be engraved and mailed to all winners.

Prizes will be awarded as follows: 1st prize if three or more boats start, second prize if five or more start, third if ten or more start and fourth if fifteen or more start.

As is customary during Club races, all prizes are given on a "corrected time" basis computed from the results of two days of racing.

We are continuing the practice of adding handicaps to former prize winners. Any boat winning a first, second, or third place will carry a penalty until the boat and owner have participated in three additional race series, at which time the oldest incurred penalty will be removed. The penalties are: 15% for a first place, 10% for a second and 5% for a third, with a maximum of 45% total penalty, will prevail.

Handicaps are applied to rating lengths.

All prizes are donated by the Off Soundings Club except as follows:

<u>PRIZE</u>	<u>DONOR</u>
Class A-1, First Place	Commodore Henry B. du Pont
Class A-2, First Place	M. D. Southworth
Class B-1, First Place	Vice Commodore Edgar L. Raymond
Class B-2, First Place	Rear Commodore Paul W. Adams

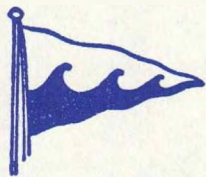

PERPETUAL TROPHIES  
(Awarded to Club Members Only)

The following Perpetual Trophies will be awarded at the Winter Shore Party for the boat with the best corrected time in the year's races. Penalties for the former prize winners are not used in establishing the winners. These trophies are held for one year and upon their return the winner is given a suitable silver plaque.

COURSES

Saturday, June 10, 1961

Starting line between BW Bell (off Montauk Harbor) and white flag on committee boat.

Classes B-1, A-1, A-2, and C-1 ---- Long Course, 25.03 miles.

Cross starting line; thence to FL Whistle "9" (Cerberus Shoal) leaving to port; thence to FL Bell "lGI" (Ruins) leaving to port; thence to BW Bell (off entrance to Greenport and Shelter Island) leaving to port; thence to finish line between BW Bell (off entrance to Three Mile Harbor) and white flag on committee boat.

Classes B-2 and C-2 ---- Short Course, 16.93 miles.

Cross starting line; thence to FL Bell "lGI" (Ruins) leaving to port; thence to finish line between BW Bell (off entrance to Three Mile Harbor) and white flag on committee boat.

For Start

1. Yachts not starting must keep well clear of the starting area until after the warning signal for their class.
2. Running of engines after the Preparatory Signal for her class will disqualify a yacht.
3. Recall signal will be a blast of a whistle for each yacht recalled. A yacht failing to hear or heed such whistle will be penalized by having one-half hour added to her elapsed time.
4. Postponments will be for 15 minute periods and will be signalled by code flag "P". Attention to this signal will be called by two guns. The warning signal (white shape) will be made thirty seconds after the lowering of code flag "P". If the postponement is made after the start of the first class, there will be a warning signal (shape to be start signal of previous class) five minutes before the preparatory gun of the next class scheduled to start.
5. Reverse course will be signalled by code flag "R". Attention to this signal will be called by one gun.
6. Short courses for Classes B-1, A-1, A-2, and C-1 will be signalled by code flag "S". Attention to this signal will be called by one gun.

7. Race off for the day will be signalled by code flag "0". Attention to this signal will be called by two guns.

#### For Race

1. Government marks may be disregarded except for those marking the course for your class.
2. In case of thick weather, yachts rounding course marks must see and identify each mark being rounded. It is not sufficient to assume that a mark has been rounded by the yacht's presumed position.
3. Yachts are not to pass between the Ruins and Gardiners Island.

#### At Finish

1. Identification number is to be displayed a half mile from the finish line and faced toward the committee boat so it can be seen. Display the number by holding it high above head while standing on foredeck, clear of headsails. Keep the number displayed until well clear of finish line and committee boat. Failure to be accurately identified may result in a yacht being listed as DNF. Please report to committee boat if in doubt.
2. Regardless of the time of the start, the time limit will expire at 5:00 PM each day. If any yacht finishes by that time, it is a race for her class.
3. On Friday, if the committee boat is not on station, any yachts finishing shall take their own time when BW Bell bears east magnetic and at a distance not greater than 200 yards. On Saturday, yachts shall take their own time when the BW Bell bears northeast at the same distance, and report same to the Chairman of the Race Committee.

#### Protests

A member of the Race Committee will be aboard the committee boat to observe any infractions of the rules, should they occur.

Rules of the road apply only when meeting non-racing boats. Otherwise, throughout the race, NAYRU rules apply. These are concise and easy to understand. Read them --- this will make for a better race for everyone. Know your rights, but consider your competitors, particularly when steerageway is questionable.

#### If a Protest is Necessary

1. Immediately display a red flag in the starboard rigging.
2. Verbally inform Race Committee on the committee boat immediately

after crossing the finish line.

3. Leave a brief written summary with the Race Secretary who on Friday will be at the Montauk Yacht Club or aboard SEAFLOWER and on Saturday at the Maidstone Marina or aboard SEAFLOWER. Then remain within earshot of the "loud hailer" so that you will know when and where to attend the protest meeting. The Chairman of the Protest Committee will announce the time and place of the meeting.
